

# USS Ouellet Association Donation Form

There are no fees for membership in the USS OUELLET Association. The Association relies on “General Donations” to cover operating expenses to include charitable donations consistent with its 501(c)(19) status.

Most importantly, the USS OUELLET Association is committed to sponsoring United States Naval Sea Cadet Corps programs in the area of David Ouellet’s hometown (Greater Boston area). These donations are applied to the following:

- (1) David G. Ouellet Sea Cadet Division in Gloucester Massachusetts, maintenance funding to support operations. Promote recruitment and retention initiatives to support long-term sustainability.
- (2) Annual \$250 award for the Honor Graduate Award at the New England Region Recruit Training (Boot Camp). The “Honor Graduate” is awarded to the top-ranked cadet.

These commitments reflect the Ouellet Association’s goal to further the legacy and to honor our ship’s namesake, Medal of Honor recipient Seaman David George Ouellet.
